*Special People. Special Needs.*

Dear Friend and Supporter of people with special needs,

For over 39 years Meta Centre has championed the social inclusion of children, youth, adults and seniors with special needs. Our goal is to help people reach their full potential as community members. We operate supported group living, day and recreational programs in Etobicoke, North York, Richmond Hill, Scarborough and Vaughan.

Meta Foundation is thrilled to announce that this is our 13th year hosting this incredible event. On Thursday April 10th, Meta Ladies' Martini Night will be offering a variety of experiences for you to celebrate with us. We look forward to our in-person mingling event which will include an evening of good food, vendor shopping, silent auction, wellness corner, special partnerships and so much more! Ladies' Martini Night is an opportunity to increase our profile in the community. Your generous support of our organization significantly improves our ability to offer life-changing experiences to children, youth and adults with special needs by providing support to families in our community. Your contribution will make a difference. Please consider supporting us by:

- Sponsoring the event - Have you or your company acknowledged on our website
- Purchasing tickets
- Making a donation if you are unable to participate
- Donating an item to be included in our online auction

Please visit our website at [www.metacentre.ca](http://www.metacentre.ca) for more information regarding our organization and to register for Ladies' Martini Night today! We greatly appreciate your time in considering our organization and we thank you in advance for your generous support.
